Training and Workshop
Primary School (2022-23)
In-House Workshop#3**

Date: September 6, 2022
Day: Tuesday
Venue: Class IV B
Resource Person: Ms. Anita Binoy
Topic: Different learning style
Duration: 40 Minutes
Participation: All teachers (III-V)

Every student has a strategy they use to remember information more efficiently while studying. Some of them take notes some make diagrams some prefer to listen to lectures etc. Since no learning style fits all students scientist have conducted research in order to understand the way students learn new information best. Learning style refers to a range of theories that aim to account for differences in individuals' learning.

An effective workshop was conducted on September 6, 2022 by Ms. Anita Binoy on the topic Different learning style. Here the four main learning style delt was visual, auditory, kinesthetic and reading and writing. It was a very informative workshop for teachers as they were able to know how to identify the different learning style of their students, which would help them more effectively

Date: September 14, 2022
Day: Wednesday
Venue: Class VIII E
Resource Person: Ms. Geetanjali Tare
Topic: Happy Classroom
Duration: 30 Minutes
Participation: All teachers (VI-VIII)

In house workshop was conducted by Ms.Geetanjali Tare on September 14,2022.

The topic was Happy Classroom. Teachers participated actively in all activities and agreed that creating a happy classroom isn't just about smiling every day. It's about developing an environment that looks after the whole child and helps them build strategies to feel happier about all aspects of their lives.

In-House Workshop#3**

Date: August 17, 2022
Day: Wednesday
Venue: Class IV B
Resource Person: Ms. Richa Sharma
Topic: Team Work
Duration: 40 Minutes
Participation: All teachers (III-V)

You would have read this very famous quote by famous American author Heller Keller-
“Alone we can do so little, together we can do so much.” To take our organization to
greater heights and achieves Vision, Mission and Values, we need to have a solid team
in place.

Keeping this thought in mind an effective workshop conducted by Ms. Richa Sharma.
It was really a wonderful workshop and helped teachers understand how to Build High-
Performing Teams to achieve phenomenal success. Activity conducted in the workshop
realised the reasons and barriers in progress of people, society, community, institution
and organisations inspite of resources and talent.

In-House Workshop#4

Date: August 24, 2022
Day: Wednesday
Venue: Class IV B
Resource Person: Ms. Yashasvi Jakar
Topic: Transforming our world through SDGs
Duration: 40 Minutes
Participation: All teachers (III-V)

The world is facing a confluence of crisis that threaten the very survival of humanity. For each of us to understand this, we all need to take strict action to protect the planet. This was understood through the workshop conducted by Ms. Yashasvi Jakar on the topic "Transforming our World through SDGs".

It says the SDG network was adopted by the UNITED NATIONS in 2015 which represents a Universal Call to protect the planet, end poverty and ensure that all people enjoy peace and prosperity by 2030.

Out of all the 17 Sustainable Development Goals, 2 SDGs were explained that is

- a) SDG 4 which tells us the importance of Quality Education and
- b) SDG 13- Climate Change

Quiz and videos were shown on spreading awareness and knowing the importance of how each person plays an important role for protecting the environment. Bookmarks were also distributed to every teacher on 17 SDGs at the end.
