

NEW DIGAMBER PUBLIC SCHOOL

CBSE Affiliation # 1030181

NDPS/Notice /2025/03/ 226

March 13, 2025

Dear Parents,

Subject: Guidelines for 2025-26 academic year

We hope that you and your families are healthy and well.

The new academic year 2025-26 commences from April 01, 2025. You are invited to attend the end of academic year Result Distribution at the end of March as per the separate schedule which will be provided. The books and stationery list for the new academic year will be provided at the time of the Result Distribution and it is also uploaded on the school website. You are free to purchase them from any shop which stocks them. The same applies to the school uniform. Sports shoes and socks of good quality may be used and there is no restriction regarding colour or design. As a Green School initiative, covering/wrapping of books and notebooks is not necessary.

Heavy school bags have a seriously adverse effect on the health of children, affecting the spine and causing other medical problems. Hence, you are requested to ensure that the bags are of light weight material, are small in size, and that only required books are brought to school. Please ensure your child re-packs his/her school bag every day as per the time table. The weight of the school bag should not exceed 10% of the child's body weight, as a standard bench mark.

Further, owing to its carcinogenic nature, plastic water bottles are not advised, and students may carry light weight metal water bottles, if required.

We congratulate your ward who has now successfully completed the Middle School Phase of education and is moving to the Secondary School. From the academic year 2025-26, the focus for your ward will be very much on the requirements of the CBSE Examinations.

The Headmaster for the Senior School is Mr. Vishal Bhatia who has a rich experience of over 21 years as teacher, Academic Coordinator and Officiating Principal.

Your ward is promoted to Class IX for the academic year 2025-26, subject to passing all the qualifying exams including the improvement test, if applicable.

Parents are required to note that continuance on the school rolls for 2025-26 is subject to payment of all outstanding fee dues.

The school planner, curriculum booklet and the activity calendar for 2025-26 will be distributed to the students at the start of the new session.

Yours sincerely

Winston Gomez
Principal
